

Climate Week North East 'Eco Actions' Competition

Aberdeen Climate Action is running a competition focusing on pupils' efforts, through their school, to protect the environment, reducing greenhouse gas emissions and living sustainably by:

- eliminating or reusing waste and upcycling
- improving their local environment
- Growing Food and eating sustainably
- Active 'green travel'
- Reducing energy use and using renewable energy

Schools should upload a two-minute video to their school twitter feed with the hashtag #CWNE2019, demonstrating what their pupils are doing.

Closing date for submissions is Friday 1st March.

Full terms and conditions/ details

The videos will be shown on social media to help publicise CWNE and then played during Climate Week North East, which runs from 15-24th March 2019.

Please see the following link for instructions on how to record and upload a video to twitter:

<https://help.twitter.com/en/using-twitter/twitter-videos>

The competition will be divided into the following categories:

- P1-P3
- P4-P7
- S1-S6

The videos will be judged upon the following criteria:

- Innovative ideas generated
- Real actions taken
- Team work and collaboration within and out with the school, particularly the local community
- Demonstratable results obtained

Please email the organiser Andrew Fowler at fowlera944@gmail.com to say that you have uploaded a video. Use the same email for any queries. Copy in Alison Stuart alison@aberdeenclimateaction.org

Prize giving will be at the start of Climate Week North East on Saturday 16th March during the Green Family Fun Day (11-3pm) at Hazlehead Park. Details of the prize giving ceremony will be emailed out on receiving your confirmation email.

Looking forward to viewing your entries!
