

Climate Week North East 2019

The following organisations deliver information workshops and presentations to schools. Please contact them directly to arrange a school visit.

Aberdeen City Area

Energy Saving – School energy audits or Climate change or energy saving presentation - Shirley Forbes from Aberdeen City Council Energy Team [shiforbes@aberdeencity.gov.uk]

Water Efficiency –Home Energy Scotland North East - Lynn Smith (Marketing Manager) [lynn.smith@ne.homeenergyscotland.org]

Creating food growing spaces in schools - (includes full curriculum pack) – Bob Donald [oneseedforward@gmail.com]

Renewable Energy Workshop – Andrew Fowler, SustainEnergyEd.org [fowlera944@gmail.com] Wind turbine workshop - secondary level practical experiments with model turbines demonstrating how the energy equations learnt in schools have real engineering applications to maximise efficiency. A simpler version is also available for primary schools, where pupils find ways to increase the turbine speed.

Aberdeen City Council Recycling Officers – contact for resources and presentations
